1.

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain health care providers, including physicians, in the state of Oregon. Olurotimi Ayodele Ashaye, MD (Licensee) is a licensed physician in the state of Oregon.

2.

Licensee is a psychiatrist practicing in Meridian, Idaho. On April 27, 2015, the Idaho State Board of Medicine issued a Stipulation and Order alleging Licensee violated the Idaho Medical Practice Act in that he failed to meet the standard of health care provided by other qualified physicians in the same or similar communities; prescribed or furnished narcotic or hallucinogenic drugs to addicted persons to maintain their addictions and level of usage without attempting to treat the primary condition requiring the use of narcotics; and prescribed or furnished narcotic, hypnotic hallucinogenic, stimulating or dangerous drugs for other than treatment of any disease, injury or medical condition. Licensee did not report this Order to the Board as required by ORS 677.190(25) and OAR 847-010-0073(B). Based upon the Idaho Order, the Board opened an investigation.

3.

Licensee and the Board desire to settle this matter by entry of this Stipulated Order. Licensee understands that he has the right to a contested case hearing under the Administrative Procedures Act (chapter 183), Oregon Revised Statutes. Licensee fully and finally waives the right to a contested case hearing and any appeal therefrom by the signing of and entry of this
Order in the Board's records. Licensee neither admits nor denies, but the Board finds, that he
engaged in conduct that violated ORS 677.190(1)(a), as defined by ORS 677.188(4)(a); ORS
677.190(15) disciplinary action by another state of a license to practice medicine; and ORS
677.190(25) failure to report to the Board any adverse action taken against the licensee by
another licensing jurisdiction. Licensee understands that this Order is a public record and is a
disciplinary action that is reportable to the National Data Bank and the Federation of State
Medical Boards.

4.

Licensee and the Board agree to resolve this matter by the entry of this Stipulated Order
subject to the following terms:

4.1 Licensee must not treat chronic pain with any DEA scheduled medications. For
the purposes of this Order, chronic pain is defined as pain that persists or progresses over a
period of time greater than 30 days. Licensee must not prescribe any Schedule II, III, or IV
medication for acute pain for any patient in excess of 30 days for any one year period, and never
in excess of 60 Morphine Equivalent Dosage.

4.2 Notwithstanding term 4.1 of this Order, Licensee may continue to prescribe
Suboxone/Subutex solely for the treatment of addiction. Licensee must comply with all federal
regulations applicable to the use of Suboxone/Subutex.

4.3 Notwithstanding term 4.1 of this Order, Licensee may prescribe DEA scheduled
medications for patients in hospitals where Licensee has privileges during the course of the
inpatient treatment stay. Licensee may write prescriptions for patients upon discharge from the
hospital for no more than 15 days.

4.4 Licensee must immediately inform and provide a copy of this Order to any
present employer he may have in the health care field, or any future employers prior to reporting
for his first day of work.

4.5 Licensee stipulates and agrees that this Order becomes effective the date it is
signed by the Board Chair.

///
4.6 Licensee must obey all federal and Oregon state laws and regulations pertaining to the practice of medicine.

4.7 Licensee stipulates and agrees that any violation of the terms of this Order shall be grounds for further disciplinary action under ORS 677.190(17).

IT IS SO STIPULATED THIS 10th day of December, 2015.
