No. 2014-036

STIPULATION OF LICENSURE AND ORDER

This matter, having come before the New Mexico Medical Board ("the Board"), by agreement of the Prosecutor and the respondent Douglas Krell, M.D. ("Respondent"), by and through his counsel, Thomas Mack (collectively, "the Parties") regarding this Stipulation of Licensure and Order ("Stipulation"), and the Board, being fully advised, hereby finds and orders as follows:

FINDINGS:

1. Respondent is subject to the jurisdiction of the Board pursuant to the Medical Practice Act, NMSA 1978, §§ 61-6-1 through -35 ("the Act"), and the New Mexico Medical Board rules and regulations, Title 16, Chapter 10, NMAC.
2. The Board enters this Stipulation pursuant to NMSA 1978, Section 61-6-15(A), and Board Rule 16.10.5.15 NMAC.
3. Respondent hereby agrees and submits to the sanctions and discipline set forth in the Order below.
4. Respondent knows and understands the applicable statutory and regulatory provisions setting forth the authority and power of the Board. Respondent further understands that this proposed Stipulation, if accepted, results in a waiver of his rights under the Uniform Licensing Act and the Medical Practice Act, including the right to a hearing and to judicial review on the matters set forth herein, and the right to challenge this Stipulation in court.

ORDER:

A. Respondent is hereby REPRIMANDED for violating Section 61-6-15(D)(21) of the Act, failure to report to the Board any adverse action by (c) a health care entity, and (f), a law enforcement agency; and for violating Section 61-6-15(D)(29) of the Act, conduct unbecoming for violating a term of his October 15, 2007 Stipulation.

B. Respondent shall successfully complete the ProBE/ethics course offered by the Center for Personalized Education for Physicians (CPEP) in Denver, Colorado within six (6) months of the date of this Stipulation. Upon completion of the ProBE/ethics program, Respondent shall timely submit to the Board CPEP's evaluation and assessment report.

C. Respondent shall comply with the Medical Practice Act and Rules and all other applicable laws.

D. Respondent shall appear before the Board at the Board's request.

E. In the event Respondent breaches any of the terms of this Stipulation, the Board may immediately and summarily suspend his license to practice as a physician in New Mexico pursuant to NMAC 16.10.5.15. Furthermore, each breach of any term of this stipulation shall constitute conduct unbecoming in a person licensed to practice medicine as set forth in Section 61-6-15(D)(29) NMSA 1978. The Board shall within 10 days of an immediate suspension issue a Notice of Contemplated Action, and Respondent will be entitled to a formal hearing in accordance with the Uniform Licensing Act, Section 61-1-1 through 61-1-33 NMSA 1978. The Board may issue a NCA upon a breach of any term without issuing an immediate suspension.

F. This Stipulation and any subsequent Board order enforcing or interpreting this Stipulation will be reported to the National Practitioner Data Bank and is a public document open to public inspection.

G. The conditions and terms set forth in this Stipulation will remain in effect unless and until removed or amended by the Board.

IT IS SO STIPULATED by Respondent, and the Board, and SO ORDERED by the Board:

Dated: 9/3/2014
