In The Matter Of

BRIAN E. ZGANJAR, M.D.
(Certificate No. 022406)

No. 03-I-030

ORDER FOR
REINSTATEMENT OF
UNRESTRICTED MEDICAL LICENSE

By Consent Order entered between the Louisiana State Board of Medical Examiners (the "Board") and Brian E. Zganjar, M.D. in 2004 the physician’s license to practice medicine in Louisiana was placed on probation for five (5) years pursuant to specified terms, conditions and restrictions. Having completed the probationary term, this matter is now before the Board on Dr. Zganjar’s request for the unrestricted reinstatement of his license.

Following a meeting with the physician and review of his history during its August 17, 2009 meeting, the Board noted that Dr. Zganjar had satisfied the probationary terms imposed by such Order and concluded that the public interest would be properly served and protected by the rescission of all of the probationary terms imposed on his license, save the life-time restriction on his controlled substance privileges which it deemed appropriate to modify, but not rescind, to permit the physician to prescribe any Schedule II controlled substance utilized by Dr. Zganjar in the treatment of pediatric patients diagnosed as suffering with attention deficit disorder, as well as any Schedule V controlled substance. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. Rev. Stat. §37:1285 and the Consent Order previously entered herein:

IT IS ORDERED that the license of Brian E. Zganjar, M.D. to engage in the practice of medicine in the state of Louisiana, as evidenced by Certificate No. 022406, be and the same is hereby, effective as of the date of this order, REINSTATLED WITHOUT PROBATION; provided, however, that such reinstatement of licensure and Dr. Zganjar's continuing exercise of the rights and privileges thereunder shall, until and unless this Order is modified or rescinded by

subsequent written order of the Board, be conditioned upon his continued compliance with paragraph (6) of the Consent Order of July 20, 2004, as modified by this Order, restricting his controlled substance privileges.

IT IS ORDERED that paragraph (6) of the Consent Order entered on July 20, 2004, is hereby amended to delete the last sentence of paragraph (6) and to add in its place the following language: “Provided, further, that the restrictions contained in this paragraph shall not apply to any Schedule II controlled substance prescribed by Dr. Zganjar for pediatric patients that he has diagnosed and is treating for attention deficit disorder or to any Schedule V controlled substance.”

IT IS FURTHER ORDERED that except as expressly provided herein the Consent Order of July 20, 2004, and all of its terms, conditions and restrictions are hereby vacated and superseded by this Order.

IT IS FURTHER ORDERED that this Order shall be, and shall be deemed to be, a public record.
