This matter is before the Louisiana State Board of Medical Examiners (the “Board”) on the request of Brian E. Zganjar, M.D. (“Dr. Zganjar”), for relief from a restriction imposed upon his Louisiana medical license. Heretofore, pursuant to Consent Order entered in 2004 by and between Dr. Zganjar and the Board, the physician’s license to practice medicine in this state was placed on probation for five (5) years, subject to specified terms, conditions and restrictions that included, among other items, a restriction on Dr. Zganjar’s controlled substance privileges for the remainder of his medical career.\(^1\) In 2009, having determined that Dr. Zganjar had complied with and successfully completed his probationary term, the Board rescinded all of the terms, conditions and restrictions imposed on his license, save certain continuing restrictions on his controlled substance privileges.\(^2\)

In connection with the physician’s request, which the Board considered during its meeting on October 17, 2011, the Board reviewed the entire history of this matter. Based on all information received and reviewed, and in light of the physician’s on-going compliance with the terms of its Orders previously entered, the Board concluded that the public interest would be properly served and protected by the rescission of paragraph (6) of Dr. Zganjar’s June 20, 2004 Consent Order with the Board, and the reinstatement of his authority to prescribe, dispense and administer controlled substances in this state without restriction. Accordingly, pursuant to the authority vested in the Board by La. Rev. Stat. §37:1285(D) and the Orders previously entered in this matter:

**IT IS ORDERED** that the restriction contained in paragraph (6) of the Consent Order entered by and between Dr. Zganjar and the Board on July 20, 2004, imposing certain continuing restrictions on the physician’s authority to prescribe, dispense or administer controlled substances is hereby, effective on the date of this Order, rescinded and vacated and the license of Brian E. Zganjar, M.D. to practice medicine in the state of Louisiana, as evidenced by Certificate No. 022406, is hereby reinstated without restriction.

---

IT IS FURTHER ORDERED that this Order shall be, and shall be deemed to be, a public record.

New Orleans, Louisiana, and effective this 26th day of October 2011.
