ORDER TERMINATING PROBATION

On March 10, 2014, Disciplinary Panel B of the Maryland State Board of Physicians, and Arnold Brenner, M.D., entered into a Consent Order to resolve charges against Dr. Brenner. Under the Consent Order, Dr. Brenner was reprimanded and placed on probation for a minimum of two years with certain terms and conditions.¹ Dr. Brenner complied with the probationary conditions.²

The probation period of two years has passed. It is thus hereby

ORDERED that the probation, ordered in the March 10, 2014, Consent Order is TERMINATED.

The reprimand, however, remains in effect; and it is further

ORDERED that Dr. Brenner must promptly notify the Board if he returns to practice, and Dr. Brenner will be subject to an unannounced site visit and a chart and/or peer review; and it is further

ORDERED that this is a public document pursuant to the Public Information Act, §§ 4-101 – 4-601 of the General Provisions Article, Annotated Code of Maryland.

¹ A copy of the Consent Order is incorporated by reference and available upon request.
² Two of the probationary conditions – an unannounced site visit and a chart and/or peer review – did not occur because Dr. Brenner retired from the practice of medicine in Maryland.
