BEFORE THE
STATE BOARD OF DENTISTRY
CAUSE NO. 2014 ISDB 0013

IN THE MATTER OF THE LICENSE OF:

PATRICK M. CARROLL, D.D.S.
LICENSE NO. 12010982A

ORDER WITHDRAWING PROBATION

Comes now the State Board of Dentistry ("Board") and hearing having been held on
August 5, 2016 in Room W064 of the Indiana Government Center South, 402 West Washington
Street, Indianapolis, Indiana, 46204, concerning the petition for withdrawal of probation of Patrick
M. Carroll, D.D.S., ("Respondent"), the Board by a vote of 7-0-1 now issues its Order
Withdrawing Probation as follows:

FINDINGS OF FACT

1. This matter is before the Board on Respondent’s petition for withdrawal of his
probation. In its Order Accepting Proposed Settlement Agreement issued on March 5, 2015, the
Board placed the Respondent’s dental license on probation with no right to petition for withdrawal
of the probation until “his Illinois license is unrestricted.” Various terms and conditions were
imposed. The underlying violation concerned out of state discipline on grounds similar to those
under IC 25-1-9.

2. The Respondent has established that the deficiency that required disciplinary action has
been remedied. His Illinois license is no longer restricted.

CONCLUSIONS OF LAW

1. Ind. Code § 25-1-9-9(b) states in pertinent part that:

The board may withdraw or modify [a] probation [imposed in a disciplinary
proceeding] if it finds, after a hearing, that the deficiency that required disciplinary action
has been remedied, or that changed circumstances warrant a modification of the order.
2. Because the Respondent has established that the deficiency that required disciplinary action has been remedied, he qualifies for withdrawal of his probation.

ORDER

IT IS HEREBY ORDERED, ADJUDGED, AND DECREED that the Respondent’s petition for withdrawal of his probation is granted and therefore his probation is withdrawn.

ISSUED this 5th day of October, 2016.
