On December 14, 2018, Respondent appeared in person, with counsel David McCue, at an Informal Show Compliance Proceeding and Settlement Conference (ISC) in response to a letter of invitation from the staff of the Board. The Board’s representatives were Timothy Webb, J.D., and Jeffrey L. Luna, M.D., members of the Board (Panel). Claudia Kirk represented Board staff.

BOARD CHARGES

Board Staff charged that Respondent failed to meet the standard of care for one patient who he treated for a grade I open comminuted fracture of the distal humerus.

BOARD HISTORY

Respondent has not previously received a disciplinary order or Remedial Plan from the Board.

Upon the recommendation of the Board’s representatives and with the consent of Respondent, the Board makes the following Findings and Conclusions of Law and enters this Agreed Order.

FINDINGS

The Board finds the following:

1. General Findings:
a. Respondent received all notice required by law. All jurisdictional requirements have been satisfied. Respondent waives any defect in notice and any further right to notice or hearing under the Medical Practice Act, Title 3, Subtitle B, Texas Occupations Code (the Act) or the Rules of the Board.

b. Respondent currently holds Texas Medical License No. Q6230. Respondent was originally issued this license to practice medicine in Texas on October 1, 2015. Respondent is not licensed to practice in any other state.

   b. Respondent failed to timely follow-up with concerns expressed by the nurse of circulation and perfusion issues a few days following surgery.

3. Mitigating Factors:
   In determining the appropriate sanctions in this matter, the Panel considered the following mitigating factors:
   a. Respondent has no prior Board history.
   b. Respondent did not receive adequate communication from hospital staff relating to the developing and worsening complications.
   c. Respondent has cooperated in the investigation of the allegations related to this Agreed Order. Respondent neither admits nor denies the information given above. To avoid further investigation, hearings, and the expense and inconvenience of litigation, Respondent agrees to the entry of this Agreed Order and to comply with its terms and conditions.
CONCLUSIONS OF LAW

Based on the above Findings, the Board concludes that:

1. The Board has jurisdiction over the subject matter and Respondent pursuant to the Act.

2. Section 164.051(a)(6) of the Act authorizes the Board to take disciplinary action against Respondent based on Respondent’s failure to practice medicine in an acceptable professional manner consistent with public health and welfare, as further defined by Board Rules: 190.8(1)(A), failure to treat patient according to the generally accepted standard of care; 190.8(1)(C), failure to use proper diligence in one’s professional practice; and 190.8(1)(D), failure to safeguard against potential complications.

4. Section 164.002(a) of the Act authorizes the Board to resolve and make a disposition of this matter through an Agreed Order.

5. Section 164.002(d) of the Act provides that this Agreed Order is a settlement agreement under the Texas Rules of Evidence for purposes of civil litigation.

ORDER

Based on the above Findings and Conclusions of Law, the Board ORDERS that Respondent shall be subject to the following terms and conditions:

1. Within one year from the date of the entry of this Order, Respondent shall enroll in and successfully complete at least 12 hours of continuing medical education (CME) approved for Category I credits by the American Medical Association or the American Osteopathic Association, divided as follows: four hours in the topic of communications, four hours in the topic of post-operative complications; and four hours in the topic of risk management, each approved in writing in advance by the Executive Director or a designee. To obtain approval for the course, Respondent shall submit in writing to the Compliance Department information on the course, to include at least a reasonably detailed description of the course content and faculty, as well as the course location and dates of instruction. Respondent shall submit documentation of
attendance and successful completion of this requirement to the Compliance Department on or before the expiration of the time limit set forth for completion of the course. The CME requirements set forth in this paragraph shall be in addition to all other CME required for licensure maintenance.

2. At all times while Respondent is under the terms of this Order, Respondent shall give a copy of this Order to all hospitals, nursing homes, treatment facilities, and other health care entities in Texas where Respondent has privileges, has pending an application for privileges, applies for privileges, or otherwise practices. Within 30 days of being first contacted by the Compliance Division of the Board following entry of this Order, Respondent shall provide to the Compliance Division of the Board documentation, including proof of delivery, that the Order was delivered to all such facilities.

3. Respondent shall comply with all the provisions of the Act and other statutes regulating the Respondent’s practice.

4. Respondent shall fully cooperate with the Board and the Board staff, including Board attorneys, investigators, compliance officers, consultants, and other employees or agents of the Board in any way involved in investigation, review, or monitoring associated with Respondent's compliance with this Order. Failure to fully cooperate shall constitute a violation of this order and a basis for disciplinary action against Respondent pursuant to the Act.

5. Respondent shall inform the Board in writing of any change of Respondent’s office or mailing address within 10 days of the address change. This information shall be submitted to the Registration Department and the Compliance Department of the Board. Failure to provide such information in a timely manner shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act. Respondent agrees that 10 days notice of a Probationer Show Compliance Proceeding to address any allegation of non-compliance of this Agreed Order is adequate and reasonable notice prior to the initiation of formal disciplinary action. Respondent waives the 45-day notice requirement provided by §164.003(b)(2) of the
Medical Practice Act and agrees to 10 days notice, as provided in 22 Texas Administrative Code §187.44(4).

6. Any violation of the terms, conditions, or requirements of this Order by Respondent shall constitute unprofessional conduct likely to deceive or defraud the public, or to injure the public, and shall constitute a basis for disciplinary action by the Board against Respondent pursuant to the Act.

7. Respondent shall be permitted to supervise and delegate prescriptive authority to physician assistants and advanced practice nurses and to supervise surgical assistants.

8. This Order shall automatically terminate upon Respondent’s submission of sufficient evidence to the Compliance Division of the Board that Respondent successfully completed the requirements ordered in Ordering Paragraph Nos. 1-2.

RESPONDENT WAIVES ANY FURTHER HEARINGS OR APPEALS TO THE BOARD OR TO ANY COURT IN REGARD TO ALL TERMS AND CONDITIONS OF THIS AGREED ORDER. RESPONDENT AGREES THAT THIS IS A FINAL ORDER.
