

**BEFORE THE MINNESOTA  
BOARD OF MEDICAL PRACTICE**

In the Matter of the  
Medical License of  
Michael V. Baich, M.D.  
Year of Birth: 1944  
License Number: 20,782

**ORDER OF  
UNCONDITIONAL LICENSE**

The Minnesota Board of Medical Practice ("Board"), having convened on March 8, 2014, to review the petition of Michael V. Baich, M.D. ("Respondent"), for reinstatement of an unconditional license to practice medicine and surgery makes the following:

**FINDINGS OF FACT**

1. By Stipulation and Order dated May 9, 2009 ("Order"), Respondent's license to practice medicine and surgery in the State of Minnesota was conditioned and restricted by the Board based upon his unethical and unprofessional conduct, failure to maintain adequate medical records, and inappropriate prescribing practices. Under the terms of the Order, Respondent was required, in part, to successfully complete coursework in chemical dependency awareness, chronic pain management, medical records management, family practice review, and professional boundaries; maintain a daily log of all controlled substance prescriptions; meet on a monthly basis with a supervising physician to review his controlled substance prescription log and a sample of his patient charts; meet on a quarterly basis with a designated Board member; submit to a random audit of his patient charts conducted by a representative of the Board; and pay a civil penalty of \$5,379.00.

2. On or about October 3, 2013, the Board received a written petition from Respondent for consideration of an unconditional license.

3. On January 16, 2014, the Complaint Review Committee met with Respondent to discuss the results of Respondent's practice audit and his petition for reinstatement of an unconditional license. The Committee concluded that Respondent had complied with the terms and conditions imposed on his license and recommended that the Board issue an unconditional license to practice medicine and surgery in the State of Minnesota.

4. Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the Order issued by the Board on May 9, 2009, and the Board hereby issues the following:

**ORDER**

IT IS HEREBY ORDERED that an unconditional license to practice medicine and surgery in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
