In The Matter Of

WANDA TIMPTON-HOLT, M.D.
(Certificate No. 017776),

No. 04-1-027

ORDER FOR
REINSTATMENT OF
UNRESTRICTED LICENSE

By Consent Order entered between the Louisiana State Board of Medical Examiners (the "Board") and Wanda Timpton-Holt, M.D. in 2005 the physician's license to practice medicine in Louisiana was placed on probation for three (3) years, conditioned upon her compliance with specified probationary terms, conditions and restrictions. Having completed the probationary term this matter is now before the Board on Dr. Timpton-Holt's request for the unrestricted reinstatement of her license. Following a review of the history of this matter at its meeting on September 21, 2009, the Board noted that Dr. Timpton-Holt had complied with the Order entered in this matter and concluded that the public interest would be properly served and protected by the rescission of all probationary terms, conditions and restrictions imposed on her license, save the prohibition contained in the Order against her serving as a collaborating physician for a nurse practitioner or supervising physician for a physician assistant for the duration of her medical career. Accordingly, in consideration of the foregoing and pursuant to the authority vested in the Board by La. Rev. Stat. §37:1285(D) and the Consent Order previously entered herein:

IT IS ORDERED that the license of Wanda Timpton-Holt, M.D. to engage in the practice of medicine in the state of Louisiana, as evidenced by Certificate No. 017776, be and the same is hereby, effective as of the date of this Order, REINSTATED WITHOUT PROBATION; provided, however, that such reinstatement of licensure and Dr. Timpton-Holt's continuing exercise of the rights and privileges thereunder shall, until and unless this Order is modified or rescinded by subsequent written order of the Board, be conditioned upon her continued compliance with the prohibition contained in Paragraph (k) of such Order with respect to her
