OREGON MEDICAL BOARD
STATE OF OREGON

In the Matter of

GREGORY JAMES PARKER, MD
LICENSE NO. MD152156

INTERIM STIPULATED ORDER

1.
The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain healthcare providers, including physicians, in the state of Oregon. Gregory James Parker, MD (Licensee) is a licensed physician in the state of Oregon.

2.
The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board’s investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to restrict his practice of medicine until the investigation is completed.

3.
In order to address the concerns of the Board, Licensee and the Board agree to enter into this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and provides that Licensee shall comply with the following conditions effective the date this Order is signed by Licensee:

3.1 Licensee must not provide hospital care and must not participate in deliveries or C-sections.

3.2 Licensee must not take any call after regular office hours.

3.3 Licensee must only practice in a clinic setting with another licensed physician that is board certified, and on site, acting as a practice supervisor. The practice supervisor must be pre-approved by the Board’s Medical Director and will provide weekly reports to the Board.
3.4 Licensee must follow the recommendations of any healthcare professionals involved in the Board’s investigation.

3.5 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).

4.

At the conclusion of the Board’s investigation, Licensee’s status will be reviewed in an expeditious manner. Following that review, if the Board determines that Licensee shall not be permitted to return to the unrestricted practice of medicine, Licensee may request a hearing to contest that decision.

5.

This Order is issued by the Board pursuant to ORS 677.265(1) and (2) for the purpose of protecting the public, and making a complete investigation in order to fully inform itself with respect to the performance or conduct of the Licensee and Licensee’s ability to safely and competently practice medicine. Pursuant to ORS 677.425, Board investigative materials are confidential and shall not be subject to public disclosure. However, as a stipulation this Order is a public document and is reportable to the national Data Bank and the Federation of State Medical Boards.

6.

This Order becomes effective the date it is signed by the Licensee.
