

**SOUTH CAROLINA DEPARTMENT OF LABOR, LICENSING AND REGULATION
BEFORE THE STATE BOARD OF MEDICAL EXAMINERS FOR SOUTH CAROLINA**

IN THE MATTER OF:

Todd Engles, M.D.

License No. MMD.19546,

OIE# 2012-325, 2014-255, 2014-428, 2015-223

Petitioner.

ORDER OF REINSTATEMENT
(PUBLIC)

This matter came before the State Board of Medical Examiners for South Carolina (“Board”) for a hearing on August 8, 2017, to consider the Petitioner’s Petition for Reinstatement. A quorum of the Board was present. The hearing was held pursuant to S.C. Code Ann. §§ 40-1-90, 40-47-116, and the provisions of the Administrative Procedures Act, S.C. Code Ann. § 1-23-10 *et seq.* (1976, as amended), to determine whether the Petition should be granted. Petitioner appeared and was represented by Jamie Walters, Esquire. The State was represented by Prentiss Shealey, Esquire. Due to the confidential nature of information presented, the hearing was closed.

FINDINGS OF FACT

1. On March 3, 2017, the Board entered an Order whereby the Petitioner’s license was to remain suspended until such time as he:
 - a. completed 100 hours of Continuing Medical Education courses in psychiatry;
 - b. reappeared before the Board to demonstrate that he is qualified to return to the practice of medicine; and
 - c. complied with all other conditions known to the Petitioner.
2. Petitioner now seeks reinstatement of his license. In support of his petition, Petitioner submitted documentation of more than 100 hours of Continuing Medical Education (“CME”) courses completed after the entry of the March 3, 2017 Order.
3. Petitioner further testified, and the Board finds, that he is qualified to return to the practice of medicine, subject to the conditions imposed below.

CONCLUSIONS OF LAW

In a Petition for Reinstatement, the burden of proof is on the Petitioner to demonstrate that he/she has complied with the terms of any previous Board order(s) and that he/she is qualified to safely practice medicine.

In this case, the Board concludes that Petitioner’s license shall be reinstated under certain conditions. In that regard, due to Petitioner’s history as outlined in the Board’s prior Order, the Board concludes that it is appropriate to prohibit him from prescribing Schedule II (including Schedule IIN)

drugs. Further, to adequately protect the public interest, the Board concludes that it would be appropriate to require Petitioner to practice only at a site approved by the Board for a period of three years. The Board concludes that these conditions adequately protect the public interest while allowing Petitioner to return to practice.

NOW, THEREFORE, IT IS ORDERED, ADJUDGED, AND DECREED that:

1. Petitioner's license to practice medicine is hereby reinstated subject to the following conditions:

- a. Petitioner may not prescribe Schedule II (including Schedule IIN) drugs;
- b. Petitioner may only practice at a site approved by the Board for a period of three (3) years; and
- c. Petitioner must comply with all other conditions known to him and the Board.

2. Failure to comply with the conditions set forth above may result in the immediate suspension of Petitioner's license.

AND IT IS SO ORDERED.
