LICENSE NO. MD13206

INTERIM STIPULATED ORDER

The Oregon Medical Board (Board) is the state agency responsible for licensing, regulating and disciplining certain healthcare providers, including physicians, in the State of Oregon. Neal James Rendleman, MD (Licensee) is a licensed physician in the State of Oregon.

2.

The Board received credible information regarding Licensee that resulted in the Board initiating an investigation. The results of the Board’s investigation to date have raised concerns to the extent that the Board believes it necessary that Licensee agree to cease the practice of medicine until the investigation is completed.

3.

In order to address the concerns of the Board, Licensee and the Board agree to enter into this Interim Stipulated Order, which is not an admission of any wrongdoing on the part of the Licensee, and provides that Licensee shall comply with the following conditions effective the date this Order is signed by Licensee:

3.1 Licensee voluntarily withdraws from the practice of medicine and his license is placed in Inactive status pending the completion of the Board’s investigation into his ability to safely and competently practice medicine.

3.2 Licensee understands that violating any term of this Order will be grounds for disciplinary action under ORS 677.190(17).

///
3.3 Licensee must notify the Oregon Medical Board within 10 days as to how patients 
may access or obtain their medical records.

4.

At the conclusion of the Board’s investigation, Licensee’s status will be reviewed in an 
expeditious manner. Following that review, if the Board determines that Licensee shall not be 
permitted to return to the practice of medicine, Licensee may request a hearing to contest that 
decision.

5.

This Order is issued by the Board pursuant to ORS 677.265(1) and (2) for the purpose 
of protecting the public, and making a complete investigation in order to fully inform itself with 
respect to the performance or conduct of the Licensee and Licensee’s ability to safely and 
competently practice medicine. Pursuant to ORS 677.425, Board investigative materials are 
confidential and shall not be subject to public disclosure. However, as a stipulation this Order is 
a public document and is reportable to the national Data Bank and the Federation of State 
Medical Boards.

6.

This Order becomes effective the date it is signed by the Licensee.
