g. This Agreement shall take effect immediately upon its approval and adoption by the Board.

9. This Consent Agreement is between the Commonwealth and Respondent only. Except as otherwise noted, this Agreement is to have no legal effect unless and until the Office of General Counsel approves the contents as to form and legality and the Board issues the stipulated Order.

10. Should the Board not approve this Consent Agreement, presentation to and consideration of this Consent Agreement and other documents and matters by the Board shall not prejudice the Board or any of its members from further participation in the adjudication of this matter. This paragraph is binding on the participants even if the Board does not approve this Consent Agreement.

11. Respondent agrees, as a condition of entering into this Consent Agreement, not to seek modification at a later date of the stipulated Order adopting and implementing this Consent Agreement without first obtaining the express written concurrence of the Prosecution Division; however, in the event that Respondent is acquitted of the pending charges Respondent has the right
to immediately seek modification of the Order upon written notice to the Prosecution Division and that any request for reinstatement of his license be done in accordance with paragraph 7 of this Consent Agreement.

12. This Agreement contains the whole agreement between the participants. There are no other terms, obligations, covenants, representations, statements or conditions, or otherwise, of any kind whatsoever, concerning this Agreement.

13. Respondent verifies that the facts and statements set forth in this Agreement are true and correct to the best of Respondent's knowledge, information and belief. AFFIDAVIT of PROBABLE CAUSE

[Redacted] reported that during the said appointment, she mentioned to Dr. Knapp that her golden retriever had recently died due to illness. When she told Dr. Knapp this, she was seated in a chair and he was seated on a small stool. At that time, Dr. Knapp wheeled his stool up to DuPlaga and got very close to her. He then embraced DuPlaga extremely tight, pressing his body against her. While still holding her, Dr. Knapp then stood up from his stool, pulling DuPlaga up out of her chair. Dr. Knapp then backed DuPlaga up against an examination table which was against the wall.

At that point, Dr. Knapp kissed her on the mouth. Dr. Knapp told DuPlaga that she should get a new dog. Dr. Knapp then kissed her on the mouth again. DuPlaga pulled her head away from him and said "What are you doing?" Knapp then said "Someone did this for me when I lost an animal." Dr. Knapp again kissed DuPlaga on the mouth. During these kisses, Dr. Knapp was attempting to put his tongue into DuPlaga's mouth. DuPlaga was clenching her teeth closed very tight and was pulling away in an attempt to stop Dr. Knapp from doing this to her.

I, Officer Shawn Shillingburg, being duly sworn according to the law, depose and say that the facts set forth in the foregoing affidavit are true and correct to the best of my knowledge, information, and belief.
