

**BEFORE THE MINNESOTA
BOARD OF MEDICAL PRACTICE**

In the Matter of the
Medical License of
Gregory L. Angstman, M.D.
Date of Birth: 3/8/1956
License Number: 27,674

**ORDER OF
UNCONDITIONAL LICENSE**

The Minnesota Board of Medical Practice ("Board"), having convened on November 13, 2010, to review the petition of Gregory L. Angstman, M.D. ("Respondent"), for reinstatement of an unconditional license to practice medicine and surgery makes the following:

FINDINGS OF FACT

1. Respondent's medical license has been conditioned and restricted pursuant to a Stipulation and Order dated May 10, 2008 ("Order"), which was based upon Respondent's unethical and unprofessional conduct, failure to maintain adequate medical records, and failure to appropriately prescribe narcotics. In accordance with the Order, Respondent was required, in part, to successfully complete appropriate coursework in pain management, chemical dependency awareness, medical records management, and professional boundaries; develop a written protocol for the management and tracking of controlled substance prescriptions; maintain a daily log of all controlled substance prescriptions; undergo an audit of his prescribing practices, following completion of his coursework; practice in a group setting; meet with a supervising physician on a monthly basis; meet with a designated Board member on a quarterly basis; and pay a civil penalty of \$5,000.00.

2. On October 22, 2010, the Board received a written petition from Respondent for consideration of an unconditional license.

3. On November 8, 2010, the Complaint Review Committee met to discuss Respondent's petition for reinstatement of an unconditional license. The Committee concluded that Respondent had complied with the terms and conditions imposed on his license and recommended that the Board issue an unconditional license to practice medicine and surgery in the State of Minnesota.

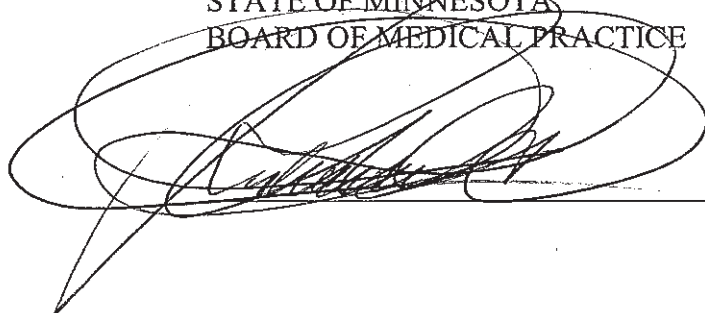

4. Based on the foregoing, the Board concludes that Respondent has complied with and fulfilled the Order issued by the Board on May 10, 2008, and hereby issues the following:

ORDER

IT IS HEREBY ORDERED that an unconditional license to practice medicine and surgery in the State of Minnesota be conferred upon Respondent, such license to carry all duties, benefits, responsibilities, and privileges inherent therein through Minnesota statute and rule.
