After careful consideration of all the information presented in this case, the Board ordered that this Letter of Admonition be issued to you pursuant to its authority in § 12-35-129.1(2), C.R.S.

The Board determined that substandard infection control practices were identified during the January 12th and 13th, 2016 inspections of the Braces U Colorado dental offices located at 940 Central Park Drive, Suite 106, Steamboat Springs; and 4360 Boardwalk Drive, Suite 200, Fort Collins. You are hereby admonished for your conduct set forth above. Subsequent violations of the Dental Practice Act or Board Rules may be used as an aggravating factor and may lead to the imposition of more severe disciplinary sanctions.

You have a right to appeal, in writing, this Letter of Admonition within twenty (20) days of receiving this letter.
