Respondent. )

This matter is before the North Carolina Medical Board ("Board") regarding Anthony Otis Russell, M.D. ("Dr. Russell"), license number 35491.

FACTUAL FINDINGS

On April 25, 2018, the Board entered into a Non-Disciplinary Consent Order with Dr. Russell in which his license to practice medicine was reinstated and he was required to sign a contract with the North Carolina Physicians Health Program ("NCPHP"). Based on Dr. Russell's successful completion of his monitoring contract with the Florida Professionals Resource Network, on May 23, 2019, NCPHP notified Dr. Russell that it had closed his case.

On June 17, 2019, Dr. Russell, through his counsel, requested that the Board relieve him of the terms and conditions of his Non-Disciplinary Consent Order.

The Board recognizes that Dr. Russell has complied in all respects with his Non-Disciplinary Consent Order.
ORDER

The Board hereby orders that Dr. Russell be relieved of all obligations contained in the numbered paragraphs of his Non-Disciplinary Consent Order. Nothing herein shall affect the public nature of Dr. Russell's Non-Disciplinary Consent Order, and it shall remain a public document on the Board's website.

This the 25th day of October, 2019.
