SETTLEMENT AGREEMENT BETWEEN THE MISSOURI
STATE BOARD OF REGISTRATION FOR THE HEALING ARTS
AND VINSON M. DISANTO, DO

COMES NOW Vinson M. DiSanto, DO, ("Licensee") and the Missouri State Board of Registration for the Healing Arts ("the Board"), and enter into this agreement for the purpose of resolving the issue of whether Licensee's physician and surgeon's license is subject to discipline. Licensee and the Board jointly stipulate and agree that a final disposition of this matter may be effectuated as described below pursuant to section 621.045, RSMo.¹

1. Licensee acknowledges that he understands the various rights and privileges afforded to him by law, including the right to a hearing of the charges; the right to appear and be represented by legal counsel; the right to have all charges against him proven upon the record by competent and substantial evidence; the right to cross-examine any witnesses appearing at the hearing; the right to present evidence on his own behalf; the right to a decision based upon the record concerning the charges pending against him; and the right to present evidence in mitigation of discipline at a hearing before the Board. Having been advised of these rights provided to him by operation of law, Licensee knowingly and voluntarily waives each and every one of these rights, freely enters into this agreement and agrees to abide by the terms of this document as they pertain to him.

2. Licensee acknowledges that he may, at the time this agreement is effective or within fifteen (15) days thereafter, submit this agreement to the Administrative Hearing Commission to determine whether the facts agreed to by the parties constitute grounds to discipline Licensee's license.

3. Licensee acknowledges that he has been advised of his right to consult legal counsel in this matter.

4. The parties stipulate and agree that the discipline agreed to by the Board and Licensee in the consent order in Part III is based only on the agreement set out in Parts I and II herein. Licensee understands that the Board may take further action against him based on facts or conduct not specifically mentioned in this document that is either presently known to the Board or later discovered.

¹ All statutory references are to the Revised Statutes of Missouri Cumulative Supplement (2013), unless otherwise stated.
5. Licensee understands and agrees that the Board will maintain this agreement as an open record as required by Chapters 324, 334, and 610, RSMo, and it will report this agreement to the National Practitioner's Data Bank ("NPDB") and the Federation of State Medical Boards ("FSMB").

I. JOINT STIPULATION OF FACTS

Based upon the foregoing, the Board and Licensee herein jointly stipulate and agree to the following:

6. The Board is an agency of the State of Missouri created and established pursuant to section 334.120, RSMo for the purpose of executing and enforcing the provisions of Chapter 334, RSMo.

7. Licensee is licensed by the Board as a physician and surgeon, license number 2009009828, which was first issued on April 23, 2009. Licensee's license is current, and it was current and active at all times relevant herein.

8. On June 2, 2017, Licensee and the Idaho State Board of Medicine ("Idaho Board") entered into a stipulation and order ("Idaho Order") wherein Licensee was publicly reprimanded and assessed a one-thousand dollar ($1000) fine.

9. The Idaho Order was based upon a finding by the Idaho Board that Licensee prescribed testosterone replacement hormones to patients in Idaho based solely on medical evaluations conducted by telephone and email; and that the prescriptions were issued before Licensee obtained controlled substance registrations from the Idaho Board of Pharmacy and the United States Drug Enforcement Administration.

10. The Idaho Order constitutes a final disciplinary action taken against Licensee by another state licensing authority.

11. The above is cause to discipline Licensee's license pursuant to sections 334.100.2(8) and 334.102.7(1)(b), RSMo.

******

13. Licensee's conduct, as established by the foregoing facts, falls within the intendments of sections 334.100.2(8) and 334.102.7(1)(b), RSMo.
