BEFORE THE COLORADO MEDICAL BOARD
STATE OF COLORADO
CASE NO: 2019-7420-B

ORDER OF SUSPENSION PURSUANT TO SECTION 24-4-104(4), C.R.S.

IN THE MATTER OF THE LICENSE TO PRACTICE MEDICINE AS A PHYSICIAN IN THE STATE OF COLORADO OF VINCENT M. DISANTO, D.O., LICENSE NO. DR-48015,

Respondent.

TO: VINSON M. DISANTO, D.O.

Inquiry Panel B ("Panel") of the Colorado Medical Board (the "Colorado Board"), having reviewed this matter during its meeting of the Panel on October 22, 2019, hereby finds as follows:

1. Respondent was licensed to practice medicine in the state of Colorado on July 16, 2009, and was issued license number DR-48015, which Respondent has held continuously since that date.

2. On October 22, 2019, the Panel reviewed materials relating to case number 2019-7420-B and found that based upon the information reviewed, the Panel had reasonable grounds to believe that the public health, safety, or welfare imperatively requires emergency action and/or that Respondent was guilty of a deliberate and willful violation of the Medical Practice Act. The Panel reviewed information that Respondent's license to practice medicine in Alabama had been revoked by the Medical Licensure Commission of Alabama ("Alabama Board") on or about October 2, 2019. The Alabama Board revoked Respondent's license based on discipline in fourteen other states and an assessment from the Center for Personalized Education for Professionals ("CPEP") which concluded Respondent demonstrated significant educational needs in the areas of medical knowledge, clinical judgment, and documentation and expressed concern about Respondent's cognitive function. The Panel found that Respondent's educational deficiencies represent a risk to public health, safety, or welfare.

3. Based upon paragraphs 1-2, the Panel has objective and reasonable grounds to believe and finds that Respondent deliberately and willfully violated the Medical Practice Act and/or that the public health, safety, or welfare imperatively requires emergency action.
4. The Panel incorporates paragraphs 1 through 3 in its findings for this Order of Suspension from the Practice of Medicine.

5. The Panel is therefore authorized by Section 24-4-104(4), C.R.S. to suspend Respondent’s license to practice medicine in this state pending proceedings for suspension or revocation.

WHEREFORE, it is ordered that:

1. Respondent’s license to practice medicine in this state is hereby suspended, effective at 4:00 p.m., Friday, October 25, 2019.

2. The suspension shall remain in effect until resolution of this matter.

ENTERED this 24th day of October, 2019.
